Hello there!

Wow, what an exciting time to welcome you all to our dance family at Christine's Dance Co! I'm so glad you found your way to our studio and I just wanted to take a moment to express how thrilled and grateful I am that you've chosen us, or considering us, for your child's dance education. Seriously, it means the world to us!

As a parent myself, I know how important it is to find the right place for your little ones to spread their wings, find their passion, and have the best time along the way. I'm so proud of the studio we have built and are continuing to build. So, from the bottom of my heart, thank you for choosing us. We're looking forward to a great season ahead with you! 🎉

Since each costume has a different cost, the exact total is not known until the costume is selected in October. Recreational costumes typically end up totaling between \$100-\$160 each.

Our studio offers full-service costuming. Basically, you do nothing! Each costume cost includes all measuring, ordering, accessories, hair pieces, tights, steaming and sewing or alterations.

- Any student who withdrawals from a class **before** November 1 the costume deposit will be refunded.
- Any student who withdrawals from a class **after** November 1 will be responsible for the full costume cost.

This policy is put in place because most costumes are made-to-order and cannot be returned to our costume vendors. Thank you for understanding!

Withdrawal Policy

If you wish to withdraw from any class, a written notice via [email](#) must be sent to the studio. Simply not coming back to class does not count as a withdrawal notice and tuition charges will still apply.

If a class is dropped **before** November 1st, you will receive a full refund of your \$50 costume deposit plus a refund of any unused tuition.

If a class is dropped **after** November 1st, you will be responsible for the full costume cost. But any unused tuition will still be refunded.

Please understand you will still be responsible for any tuition cost up to the day the withdrawal notice via email is received by the studio.

How we communicate

01 MONTHLY NEWSLETTERS

Expect a monthly newsletter delivered between the 1st and the 5th of each month via email. We also post these on the homepage of our [website](#).

02 EMAILS

We use email as our main source of communication. Please make sure to add us to your contact list so our emails don't go into your spam folder.

03 TEXT MESSAGING

We don't use text messaging as often as emails, but we do use this method for last minute reminders or if we have to cancel class for inclement weather. **Make sure to check the "subscribe to texting" box when registering so you don't miss important messages.**

04 PHONE

During front desk hours we will answer our [phone](#). However, please [email](#) the studio to notify us of a student absence or with any general questions. You will be sure to get a prompt response.

PREFERRED COMMUNICATION

For prompt and efficient responses, we encourage you to communicate with us via [EMAIL!](#) The ADMIN email address is monitored by both Maren and Christine and is the best way to communicate with us.

While we value your engagement on platforms like Facebook and Instagram, [email](#) ensures the quickest replies for matters needing attention versus DM's or text messages to our personal cell phones.

Thank you for helping us streamline our communication to provide the best customer service.

FRONT DESK HOURS

M - Th 3:30pm - 8:00pm

PICTURE WEEK

Pictures will be held at Christine’s Dance Company during a week in April. For specific picture week dates, see our [Studio Schedule](#). Purchasing a picture package is completely optional, but we do ask that your dancer at least participates in the group photo for our Memory Book.

We will not have regular dance class during this week since the photographer will be set up in our studios all week. Most pictures will be held on the same day of the week you normally come to class, but at a different time. An email was sent on February 13th with specific picture times for each class.

We will be using Seasons Photography out of Rice Lake for our professional photos. They have been photographing our dancers for several years and do a fantastic job! For more details about Picture Week, [click here](#).

WE ALSO TEACH...

1 **Commitment**

We encourage our students to still show up and put in the work, even after a long day. Showing up is half the battle and your teammates depend on you!

2 **Dedication**

Our students discover success does not happen overnight. We teach there's no short cut to training the body and mastering their goals.

3 **Friendships**

When you accomplish hard, but fun, things together, the creation of life-long friendships come naturally.

4 **Goal Setting**

Our students learn the importance of setting attainable goals for themselves and how to create a plan to achieve them. What a valuable life skill to learn at a young age!

5

Coordination

When children go through growth spurts, their body awareness and coordination can become compromised. Our classes are designed to help lessen those effects. Which in turn, makes them less susceptible to injury and more confident!

6

Good Health

Our students learn healthy habits and ways to take care of their bodies physically and mentally. Dance class is a great way to keep both the mind and body in shape.

7

Teamwork

We strive to help our students understand the importance of learning how to become supportive, respectful, and kind team members.

8

Creativity

Dance is a form of art. Our classes at Christine's Dance Co encourage free expression through movement, which most dancers find healing & therapeutic .
